WPV Project Update—

Bids have been received for the Infrastructure Project. There will be a Special Board Meeting on January 25th at 2pm for the Board to accept or reject the one bid that was received.

Landlords & Tenants:

Landlords please advise HPUD when a tenant moves in and/or moves out. In order for HPUD to transfer service to/from and vice versa all bills must be current and up to date before transfer of service and, HPUD must have a tenant application on file to put services into tenants name.

Let the Sunshine In!

Open sunny window blinds in the morning. Switch to other side of the house in the afternoon. The sun will provide more heat and vitamin D, not mention cheer you up!

Additional Tips to Keep Houses Safe and Surrounding Areas:

- Clean your gutters
- Assess windows and doors, seal any cracks or leaks
- Watch for Icy Sidewalks
