 - County and HPUD has a 7 foot easement from the sidewalk into each yard.
 - Whatever is torn-up during constructions will be replaced as good or better by completion of project.
 - Current easement forms will need to be filled out by all residence in Hillcrest and Mt. View and a few in WPV.
 - This is a State Revolving Fund project and prevailing wages must be used, therefore the cost of replacing individual houses lateral lines from HPUD meter to your front door, is probably more expense than having someone local due it for you. But if you are interested. The cost for replacing water laterals are \$3,000 and sewer laterals are \$6,000 without concrete cost.
