NO WIPES

Something to be Proud of!

During the early weeks of October, Senator Brian Dahle, vice chair of the Senate Committee on Environmental Quality, met with lawmaker, industry leaders and stakeholders regarding per- and polyfluoroalkyl substances (PFAS) and their potential harmful impacts on California's water and soil. PFAS or "forever chemicals" are a group of chemicals widely used in numerous industrial and consumer products that have the ability to 'bioaccumulate' in the human body. They have been associated with a range of potential health issues, including, but not limited to, cancer, immune system effects and developmental effects on fetuses and infants.

We are proud of the fact that mandatory testing show both Well #1 and Well #2 show "NO PFAS DETECTED".

Burn Permits are suspended until further notice.

School is back in session — Please be aware of the children on their way to school and on their way home from school!

Fort Sage Family Resource Center (FSFRC) offer a food pantry the 1st and 3rd Friday of each month. A social worker from Lassen Works is available the 3rd Friday of each month. FSFRC is located at 1223 Sierra St. (The old VFW Hall.) here in Herlong. Other services include help filling out forms for LIHEAP which provides help with bills for heating and electricity.

FSFRC's phone number is 530-485-5224.
