## Get Roasted Coffee Shop & Deli is Closing.

What has become a welcoming gathering spot, here in Herlong, will be closing November, 21th. Angel & Casey Humphrey opened Get Roasted Coffee Shop in 2018. A little over a year from opening, when Karen and Edith Higgins left the Deli, the coffee shop and deli combined.

Upon visiting with Angel, she shared this: “Unfortunately, with the rise of inflation, insurances, fees, deliveries, utilities, etc., we are just having a really hard time financially sustaining anymore. With that we’ve decided to downsize and just go mobile. We still have the coffee trailer and plan on doing events. We have really appreciated the support and all the friendships we have made through the shop. We’re not extremely excited about the changes because I know it’s gonna be hard for the community and my team members. But it’s the only thing that we can do at the moment. South County is our home, and our heart, and will always be. We love and will miss everybody.”

Please stop by, show your support of this local business and let Casey and Angel to know how much we will miss Get Roasted!
